

WATSU  INDIA

Watsu® & Pregnancy

with Xavier Boisson

Certified WABA Instructor

This course offers water students and practitioners the necessary tools for giving sessions to pregnant women.

It will also help you to gain insight into the fascinating world of pregnancy and birth in relation to aquatic bodywork.

With Watsu, we can help relieving specific pains, creating psychological conditions to better prepare pregnant women for childbirth, and providing precious support to future mothers.

Watsu & Pregnancy gives 15 hours of credit for registration with WABA (Worldwide Aquatic Bodywork Association) and Watsu India.
