

WATSU  INDIA

Watsu[®] 2

with Xavier Boisson
Certified WABA Instructor

Watsu 2 expands the Transition Flow of Watsu 1. In this 7-day course, you will learn additional positions and moves; you will also learn about meridians and acupressure points and explore your own movements, while following the client's tendencies to move.

Practicing acupressure, massage, lifts, pushes & pulls introduced at this stage, helps developing the ability to explore and play with energy.

Watsu 2 gives 50 hours of credit for registration with WABA (Worldwide Aquatic Bodywork Association) and Watsu India.
