

Liquid Flow Provider Certification Program

We are delighted to announce our certification program. It is designed for students, who desire a shorter – yet profound – path to certification as Liquid Flow Provider, and eventually progress towards becoming certified practitioners in other aquatic bodywork modalities such as Watsu, WaterDance, OBA, Healing Dance etc.

Prerequisites to become a Liquid Flow Provider

1	Basic surface & underwater course	30
2	Liquid Flow Essence (LFE)	50
3	Liquid Flow Integration 1 (after LFE)	4
4	Liquid Flow Deepening (LFD)	50
5	Liquid Flow Integration 2 (after LFD)	4
6	Supervision	3
7	Watsu 1 or OBA 1 or WATA 1 or HD 1	50
8	Received sessions 7 (after LFE -> 4 from D&D; minimum 1, maximum 3 from each, rest from practitioners certified in surface & underwater work)	14
9	Given sessions 10	15
10	Hands-On	2
Total hours		222

All Liquid Flow courses are recognized by WABA as supplemental classes.
